

# Take A Swing at Cancer Softball Tournament Pledge-a-thon Sheet

As an all-volunteer organization, 100% of our proceeds benefit families and cancer organizations.

Our mission is simple: help families affected by Cancer. Our unique position is to provide financial relief to families in cancer treatment who are overwhelmed by every day expenses.

We've had more requests as we continue to become more well-known. Help us reach our fundraising goal of \$50,000 for the event this year. Check our website for more information.
